

# Project Description

## 1 Research Plan

### 1.1 Background and Motivation

Citation use the citation key from the `.bib` file you upload.

Use this to create parenthetical citations (Tankersley, 2023).

Add text before or after the citation within the parenthesis (e.g., Tankersley, 2023, chapter 4).

In text citations Tankersley, 2023.

### 1.2 Research Objectives

1. *blah blah*  
blah blah
2. *blah blah*  
blah blah
3. *blah blah*  
blah blah

### 1.3 Research Objective 1. blah blah

blah blah

#### Expected Outcomes of Research Objective 1.

1. blah blah
2. blah blah

### 1.4 Research Objective 2. blah blah

blah blah

#### Expected Outcomes of Research Objective 2.

1. blah blah
2. blah blah

### 1.5 Research Objective 3. blah blah

blah blah

Expected Outcomes of Research Objective 3.

- 1. blah blah
- 2. blah blah

1.6 Research and Mentoring Timeline

**Figure 1:** Project timeline for each research objective. Orange denotes primary sections of research, blue denotes published papers or datasets, and transparent orange denotes work to continue after research objective is completed.

2 Justification for Host Institutions

2.1 Dr. \_\_\_, Department, University

3 Broader Impacts

4 Career Goals

5 Eligibility
